

Listing of District 7545 Rotary Leadership Institute (RLI) Resources

The Rotary Leadership Institute (RLI) is a multi-district, grassroots leadership development program of member districts organized into regional divisions in various parts of the world. Although not organizationally under Rotary International, RLI is a recommended program of Rotary International.

RLI provides a quality educational experience in Rotary knowledge and leadership skills to Rotarians interested in expanding their knowledge of Rotary and developing their leadership skills. It is also intended to strengthen our clubs as well as the lives of our Rotarians. It provides a learning experience in the areas of leadership, team building, planning, marketing, communication and organization. Led by trained facilitators, RLI leverages the shared experiences and ideas of Rotarians throughout the region.

District 7545 is part of the Mid-Atlantic RLI region which includes Rotary districts in Maryland, Delaware, West Virginia, Tennessee, Virginia, North Carolina, South Carolina and the District of Columbia.

There is a common misconception that RLI is intended only for future club leaders. That is not the case. RLI is open to all Rotarians and participation is highly encouraged as a way of furthering each Rotarian's Rotary journey.

Additional information on Mid-Atlantic RLI can be found at www.midatlanticrli.org.

The schedule for upcoming RLI sessions can be found both at the Mid-Atlantic RLI website and on the DACdb RLI calendar.

Within our district, we have a significant number of graduates and faculty members that are resources to respond to questions on RLI or to make presentations to your club regarding the value of the RLI experience. Here is the list of those graduates and faculty members:
